

Backpacking

Your Irish Wolfhound will thoroughly enjoy sharing the trail with you, as you travel the wilderness. There is no better way to experience the beauty and peace of the back country than with your Irish Wolfhound. For those of you who may be interested in this type of activity, Northern California Irish Wolfhound Club (NCIWC) offers guided backpacking trips for the novice or experienced hiker. NCIWC provides detailed information for each trip, and will work with you to ensure correct equipment and physical abilities.

NCIWC offers a backpacking certificate of achievement for your Irish Wolfhound to recognize the camaraderie and skills of you and your Irish Wolfhound Backpacking. The certification offers three levels of accomplishment: **Intermediate**; **Backpacking Companion Dog**. **Experienced**; **Backpacking Trail Master**. **Advanced**; **Globe Trekker**.
