"I've always loved the Irish Wolfhound breed and I waited for a very long time to bring my first Wolfhound home in 1998, Moira. She taught me so much about the breed along with Sequoia and Dusty, companion Wolfhounds. In 2007, Dashiell came into our lives, blessing us with a new chapter in Wolfhounds. He was my first show hound, first champion, grand champion and the sire of my first litter of five lovely puppies and Dashiell's Den was established. I'm honored and humbled by the request to Judge the Gathering of the Cu. Thank you for inviting me." [Melinda Chaney, Dashiell's Den Irish Wolfhounds](#)
